These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

55 High Street is located on the southern side of the High Street opposite Middle Row and the rear of the property faces onto the Church. This centrally located property benefits from a return fronted window display within the pedestrianized centre of the town. Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station gives direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

This attractive three storey timber framed building under a hipped tiled roof is Grade II* listed, and it is believed to have been constructed sometime around the 15th or 16th century. The ground floor lock-up sales area comprises just under 1,000 sq. ft. and was last used as an estate agents' offices although it has more recently been partly refurbished and is now awaiting re-occupation. There is a little over 400 sq.ft. of basement storage accommodation including WC. The shop benefits from two doors onto the High Street but has full height glazing to front and size elevations along with two rear windows onto the Churchyard. The premises are available for any use under Use Class 'E' and are therefore capable of being used for retail sales, financial services or similar and restaurant uses, although it is not anticipated given the Listed status of the building that any extraction systems would be permitted.

ACCOMMODATION

Ground Floor:

Sales Area 970 sq. ft.

Basement:

Circa: 450 sq.ft.
Plus WC

SERVICES

Mains services are connected to the premises.

ENERGY PERFORMANCE CERTIFICATE
