These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

This property is located at the rear of the estate off Foster Road on the Sevington Business Park which itself is located on the western side of the A2070 (Bad Munstereifel/Orbital Road), only a couple of hundred yards south of Junction 10 of the M20 motorway. These units were built in the 1990s and form part of a well-established complex with many units being used as trade counters.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station can give direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

This pair of mid-terraced units are of steel portal frame construction and provide approximately 11,800 sq.ft. of accommodation in total.
