These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

Brookfield Industrial Estate is situated on the west side of Ashford within 1.5 miles of junction 9 of the M20. It lies on Leacon Road which itself is off Brookfield Road, behind the Matalan store (A28) and adjoins Fairwood Industrial Park.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station can give direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

Unit 4 forms part of a four-unit terrace, they are of steel portal frame construction with part block-work, part insulated metal clad elevations under a new, pitched roof incorporating roof lights. The eaves height is approximately 7.8m (25ft 6ins) rising to 11.2m (39ft 9ins) at the ridge, having a full height roller-shutter style door with good access off a large yard which can be used for loading and HGV parking. There are two storey offices to the front which are open plan and benefit from carpeting, heating and WCs. The unit is shortly to be reconfigured, following subdivision.
